

F.I Coatings Ltd

CONTINUAL IMPROVEMENT POLICY

Based in Bo'ness, central Scotland, F.I. Coatings Ltd provides Surface Preparation and application of Specialised Coating Systems.

F.I. Coatings Ltd is committed to the continual improvement of our quality, environmental and health & safety performance, by maintaining certification to BS EN ISO 14001 and BS EN ISO 9001 and operating in line with BS EN ISO 45001. This includes providing resources to maintain an optimal working environment which achieves quality outputs, whilst protecting the environment and preventing injury and ill health.

We are committed to the following:

- Comply with relevant legal and other requirements.
- Achieve and maintain relevant Certifications (ISO 9001, 14001 etc)
- Protect the environment and prevention pollution.
- Prevent injury and ill health in the workplace.
- Achieve and maintain customer satisfaction.
- Consistently provide high end quality product.
- Maintain a first class working environment.
- Maintain investment in our management and operatives.
- Proactively engage with our supply chain, taking a lifecycle approach.
- Ensure stable employment through sustained profitability.

This policy statement will be annually reviewed to ensure it remains relevant to the purpose and context of F.I. Coatings. Objectives will be established to monitor continual improvement in line with this policy statement. It is the responsibility of all staff to contribute to the effectiveness of the integrated management system and achievement of policy objectives.

This policy is available to interested parties on request. Feedback is welcome on how we can continually improve.
